Candle of PREPARATION

www.marciviland.com

The 2nd Sunday of Advent is dedicated to the concept of preparation. This candle reminds us of the promise made by God about the birth of a Savior in Bethlehem. It also teaches us how God helps us prepare for the coming of Jesus.

- Advent is a time of preparation.
- God promised the birth of a Savior in Bethlehem.
- God assists in preparing for the arrival of Jesus.
- The post references Luke 3:4-6 from the Bible.

How can you prepare for the birth of Jesus? (example: bible reading plan, focus on meaning of Christmas more, etc.)

Are there ways God has helped you prepare for something you prayed for?

How does it make you feel knowing that God keeps His promises to you?
